MEMORANDUM FOR: Comptroller

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Comments on Draft Memorandum Regarding 1985 Program

REFERENCE: A. [] Draft Working Copy, Subject: The Impact
on CIAP of Reductions in Guidance
B. Memo for Comptroller fm DDA, dtd 23 Jun 83, Subject:
Comments on the 1985 Program

STAT

1. I have reviewed the draft memorandum on the various scenarios relating to 4/8/12 percent reductions below DCI guidance. Recognizing that we must concentrate on the impact these reductions would have on the collection and production activities, I believe the draft memorandum is fine, and I have no suggestions for changes.

2. In line with my previous comments on the 1985 Program in reference B, I assume that we would still have the opportunity to adjust our Program from both an Agency and directorate point of view as we obtain a clearer insight into reductions that we can expect relating to our 1985 Program.
